

Rejection under 35 U.S.C. § 112

In the Office Action, the Examiner rejected claim 13 under 35 U.S.C. § 112, second paragraph, as failing to point out and distinctly claim the subject matter of the invention. Applicants have amended claim 13 to overcome this rejection. All claims are now believed to be allowable and their reconsideration is respectfully requested.

The application is believed to be in condition for allowance and a Notice to that effect is kindly solicited at the earliest possible date.

If the Examiner believes that the prosecution of the case can be expedited by a telephone interview with Applicant's attorney, he is requested to call the undersigned at (414) 297-5775.

Respectfully submitted,
